JANUARY

Lockdown continues

FEBRUARY

Very mild weather. Very bad storm encountered over all of Britain causing flooding, loss of life and structural damage

All restrictions lifted 24 February, masks and social distancing to be observed where necessary

MARCH

Due to no one willing to stand for committee the WI decided to ask to be suspended from April. A very sad decision as this was their 58th year, I had been at first meeting.

March was very warm until last few days when we experienced high winds, blizzards, hail and frosts.

APRIL

Extremely cold weather lasted for first week in April.

MAY

I suffered an accident early May so not much reporting

JUNE

Extreme temperatures and drought

JULY

Extreme temperatures and drought

AUGUST

I suffered another accident so again I was out of action

SEPTEMBER

OCTOBER

NOVEMBER

Very wet month

DECEMBER

Churches were able to celebrate Christmas in traditional way after Covid
